Hello Lt. Heredia, Lt. Blakemore and Director Kennedy,

I greatly enjoyed our conversation and I appreciate the flexibility with your time today. I learned a lot about how your department is structured, and how facial recognition can help. It was very apparent that though you are early in your evaluating process, facial recognition will help your investigators close their cases faster.

As we discussed, Martin and Jeremy will receive an email by the end of the week or early next week introducing you to Anaheim Police Department for your reference call.

If you have any questions or concerns, feel free to contact me. Otherwise, I look forward to our quick chat on January 17th.

Best,
Aviv
